

FATIMA GAMAL AL-KATHIRI

WEB FRONT-END DEVELOPER

Recent IT graduate from Hadhramout University, with strong skills in web development using various languages, frameworks, and databases.

I have a high ability to work in a team and adapt to work pressure, and I have a passion for self-learning and continuous development of my skill.

I am seeking an opportunity to work in the field of information technology to be able to invest my skills and experience in serving the company and achieving its goals.

 - Teamwork
 - adapting to work pressure
 - using computers
 - self-learning
-

EDUCATION

INFORMATION TECHNOLOGY

Hadramaut University, College of Computers and Information Technology 2019 - 2023

EXPERIENCE

WEB FRONT-END DEVELOPER

I was responsible for developing easy-to-use front-end, in addition to some back-end functions and things using HTML, CSS, JS, Laravel, Mysql and Bootstrap technologies. And developing the interactive features of the Hadhramaut Tourism Office website, in cooperation with a team of developers, of which I was their leader, which contributed to significantly improving the user experience and facilitating the process of searching for the required information.
